

THE ART OF FORESHORTENING

"FORESHORTENING" IS SIMPLY THE ART OF DRAWING BODY PARTS IN PERSPECTIVE. TO BEGIN TO UNDERSTAND FORESHORTENING, START BY CONVERTING ARMS AND LEGS INTO SIMPLE CYLINDERS.

AS YOUR CHARACTER'S BODY PARTS MOVE TOWARD YOU, THEY WILL BECOME VISUALLY "SHORTER."

ALSO, REMEMBER THAT SIZE MATTERS WHEN YOU'RE TRYING TO CREATE THE "ILLUSION" OF DEPTH IN YOUR DRAWINGS. FOR EXAMPLE, THIS MAN'S HEAD IS LARGER THAN HIS LEGS AND FEET COMBINED!
